"THIS DAY IN HISTORY" :: :: By Condo

The telegraph wire brought to the sporting editor's desk one of the usual after-the-fight stories from Los Angeles, in which the loser demanded another chance. The decision, he said, hadn't been a fair one. Artist Condo, sauntering over, glimpsed the story and smiled sardonically.

"Old stuff," he commented.

And, to prove it, today he slipped this cartoon to the sporting editor.
